

## EBN Meeting 21-08-2022

present are: 43 persons from 12 countries (UK, BE, CH/LI, GER, HUN, NL, SE, RO, FI, POL, LIT)

### 1. History of the network and its secretariat

Member of the network is whoever sees him-/herself as a member.

Before Covid there were only 3 members of the secretariat: representatives of the last, the current and the next conference. During Covid there was a digital meeting of the EBN, where we installed a group of 6 to continue the development of the network and they met every 2 months.

The name of the annual meeting changed: What was before the "Congress" is now the "Annual European Bibliodrama Workshop" (EBW) because Erasmus+ does not support conferences and congresses anymore.

What did the secretariat the last two years:

- The set up a new website: [www.bibliodrama-ebn.eu](http://www.bibliodrama-ebn.eu). There is a login site/restricted area where e.g. are published the preparations of the 4 workshops of the current EBW in Wuppertal - thanks to the leaders! Webmasters are Jes and Bruno. Contact them for ideas or news to put on the website.
- Newsletter: irregularly a few times in a year, Dave sends out a newsletter (currently to 160 mail addresses) with information about EBN events and more. Send it forward to persons you think they would be interested.
- There will be installed an email address for the secretariat: [secretariat@bibliodrama-ebn.eu](mailto:secretariat@bibliodrama-ebn.eu)
- You also find the information about the EBN account on the website (Jes is the treasurer) for e.g. solidarity fee (€ 10 p.a.). Please indicate it is for EBN contribution.
- EBO: The secretariat supported 3 waves of online bibliodrama till now for which others had taken the initiative. There will be more next winter.
- EBN online café: 2 times the secretariat has invited to one hour of open exchange on zoom for everyone. It was informal and connecting.
- They collect on the EBW a solidarity contribution of 10 Euro per person and year. This is not a membership fee because we are a network.
