

European Bibliodrama Network News

February 2023

Short Newsletter

Dear friends

This is a short newsletter as we want to pass on information about registering for the Annual Workshop in Finland in the summer and there is some information from Hungary about an activity.

There have been difficulties with the process for registering for Finland as it has been hard to find information that is in English and not Finnish!

There is now a link that will take you directly to a page in English where it is possible to register.

That link through the EBN Website is <https://www.bibliodrama-ebn.eu/2023-turkufinland.html>

One thing to say is that there is a box that asks for a national insurance number. Put your date of birth in this.

It will be a good idea to come back to the EBN website for any updates you will also find there a link to a page that gives information about travel.

This information has come from the Centre for Education and Dialog Theotokos in Poland about some plans during 2023

In 2023 we are planning to organize in The Centre for Education and Dialog Theotokos (Erasmus no. E10259074) various bibliodramatical activities. If you are interested in cooperation under the Erasmus + programme or without it you are welcome to:

1. Job shadowing

Bibliodrama Summer School – six days of bibliodrama workshops for people who do not have or have small previous bibliodrama experience and are also interested in theoretical aspects of bibliodrama.

Ignatian retreats with bibliodrama. 8-days spiritual exercises given with use of bibliodrama.

Both activities will be in Polish.

2. Participation in

School for bibliodrama animators. 2-years training course for bibliodrama facilitators, **provided in Polish language.**

3-days (weekend) bibliodrama workshops led by invited bibliodrama facilitators from abroad, **in English or other European languages.**

3. The possibility to organize a bibliodrama event in The Centre for Education and Dialog Theotokos.

We can offer accommodation and board for 20 people, as well as the room for bibliodrama workshops. We can also offer the Centre as a partner for Erasmus requirements but the organization of event(s) and gathering the group is on your side.

If you are interested in such kind of cooperation please contact us by e-mail:

sabibliodrama@gmail.com. Details and conditions will be discussed with those who are interested.

If you have any questions do not hesitate to ask.

We look forward to joint bibliodramatic activities,

Dorota, Ita, Dariusz
