

The Blessing of Merciful God

Luke 1:46-55

One of the songs I grow up with, in the church, used to say that "the rich ones have become poor and hungry, but those who seek the Lord will not lack all good things..."

We will come together on the Online Bibliodrama Session in 4th of January to enjoy together the "seek of Lord" (search for God) so that we never lack the "Good Things".

And then, being drowned into peace and love, tasting the blessings over generations, to be able to remain merciful, humbly and grateful for everything that comes over us on our paths, in our lives.

The Bibliodrama Workshop on the text presented will go through different methods and instruments that can fit online meetings and will be facilitated by Beata and Maria.
